

Academic Committee Chair – Dr. Retta Guy

The Academic Committee shall review academic regulations and procedures of the University specifically relating to Faculty teaching and is a standing committee charged with the following tasks:

- recommending policy and procedural changes that directly affect the faculty and teaching and measures for improvement of instruction;
- recommending policy and policy changes on such matters as academic standards, admissions, registration procedures and policies, and advisement and attendance procedures and policies;
- referring appropriate issues to the Graduate and Undergraduate Councils and such subcommittees as they may establish.
