

Budget Committee Chair – Dr. Mark Chaires

The Budget Committee shall collaborate with the University administration in developing and reviewing the annual University budget and is a standing committee charged with the following tasks:

- providing for campus-wide faculty input into the University budgeting process;
- encouraging the use of faculty expertise in budget matters;
- informing the faculty, through the Senate, concerning budget matters;
- both long-range and short-term aspects will receive the committee's attention, including budget priorities and TBR formulas.
