

Student Appeals Committee Chair – Dr. Poliala Dickson

The Student Appeals Committee is a standing committee charged with the following tasks:

- addressing readmission and retention issues;
- gathering evidence and making recommendations to the Chief Academic Officer of the University for the disposition of cases within its jurisdiction;
- maximizing the protection of the principles of due process that ensures Faculty and students are given notice regarding the charges and the grounds on which administrative action has been taken;
- ensuring that all matters before the Student Appeals Committee are kept in strict confidence.
